

BOOTH HILL SCHOOL READ-A-THON

4th Grade

We have some great prizes awaiting our classes if we can reach 100% participation and our class goal of raising \$500.

First we have all received our BHS Wristbands, and now we have the opportunity to win an **Extra Recess, Movie Afternoon, No Homework** or a **Picnic Lunch!**

Your help is greatly appreciated!

recess!

"We are in the process of ordering \$4,420.30 (520 Qty.) worth of Safety Release Coat Hooks through Henkel Hook for the entire school to help replace old and broken hooks for the classrooms. Home Depot in Trumbull has also stepped up in helping provide additional supplies needed to complete this project. We are also looking to help provide \$5,000 to the library to help complete an outstanding order of new books for the school. We need your help!" – Booth Hill Fathers Club
